ARTIST SPOTLIGHT

Jean-Michel Basquiat

American Artist, 1960-1988

Here's how to say it...
Szohn Mee-shell Bah-skee-ah

Jean-Michel Basquiat was a Haitian-American artist who used bright colors, bold shapes, and powerful words to tell stories. His art was full of energy, mixing pictures and symbols to express big ideas about history, music, and culture.

kitchentableclassroom.com

Art Term
mix & match

A type of art that uses bright colors and images from pop culture, like cartoons or advertisements.

Art that doesn't try to look realistic but instead uses shapes, colors, and lines to express ideas.

A design that repeats shapes, colors, or lines.

A three-dimensional artwork that you can see from different angles.

A picture an artist makes of themselves.

Art made in public spaces, like murals or graffiti.

BECOME AN ARTIST

Rosie the Riveter is an iconic piece of American Industrial Art, created by artist J. Howard Miller during World War II. His famous "We Can Do It!" poster was designed to inspire working women to support the war effort. With her rolled-up sleeves and determined expression, Rosie became a lasting symbol of strength, resilience, and empowerment!
